

Visiting Support Service for Older People

**We believe that age needs respect.
It needs kindness. Sometimes it needs help.**

Age UK Cambridgeshire and Peterborough is your local independent charity working with and for older people across Cambridgeshire and Peterborough. Our objectives are to help older people to maintain their independence, health and wellbeing by providing services that meet individual needs.

Visiting Support Service in East Cambridgeshire, Fenland and Huntingdonshire.

Extra support when you need it most; particularly when you are experiencing a difficult period, such as a bereavement, ill health, financial worries or housing concerns.

We will work with you to access services and support networks.

We will listen to your thoughts and wishes and together we will plan the desired outcomes.

Our team will determine if the matters can be discussed over the telephone or if a home visit is more appropriate. You can also see our staff and volunteers in various venues at our Community Hubs.
