Richard updated those present regarding the fences and hard standing. The gates will be installed before Christmas. There have been difficulties trying to get quotes for the hard standing. Mick George were approached for a quote but the job is too small, and another company didn't turn up for a meeting at the site. It is estimated that 563 tonnes of hardcore and 141 tonnes of tarmac over 1342m² to complete the works. Cllr Jackson-Rimmer will try and explore other avenues.
