22/11/4 Matters arising from those Minutes- to note: The £87.17 WAVE bill had to be paid from the main account due to Barclays removing Cllr W Burcham as a signatory from the Town and Poors Account with no warning; this was to avoid a late payment charge. Transfer to be arranged to rectify once Cllr W Burcham is reinstated on the mandate- noted.

22/11/5 Public Open Forum: Each person wishing to address the council will be allowed to speak for a maximum of 5 minutes subject to the Chairman's discretion. This part cannot be longer than 10 minutes per item- District and County Councillor I Gardener addressed the Council informing them that the Combined has launched a consultation (on their website), on a strategy to speed up the switch to electric, hydrogen and other renewable fuelled vehicles in Cambridgeshire and Peterborough. He detailed some of the Greater Cambridge proposals including changes to bus services, the A14 and B645, the £5 congestion charge day-rate for cars (weekdays 7am-7pm) which includes Addenbrooke's hospital and any exemptions to be agreed. There is an exhibition about the proposals to be held at the St. Neots Priory Centre on the 30th November 4-7.30pm and an additional exhibition date in Huntingdon with final details to follow. Cllr Gardener informed the Council that the administration wants to know how residents would like the District Council to spend their money (survey online). On the Boundary Commission website there are proposals for new constituencies in England (Spaldwick to be moved from North-West Cambridgeshire into Huntingdon) which would be relevant for the next general election and in-line with District boundaries. Cambridgeshire County Council is to provide extra money for holiday activity programmes for children which include food (16hrs between 22nd December and 3rd January); Grafham Water is the nearest local centre. District fees at One Leisure centres are set to increase by 8.7%. Huntingdonshire District Council are contacting all residents who have assisted bin collections; people can contact the District Council if any more assisted collections are required. Mayor Nik Johnson is due to have major surgery and three months to recover so Cllr Anna Smith from Cambridge City Council will be covering.

Any application submitted would need to be assessed on its individual merits, however.

They take a commission from suppliers so offer a free service to Councils. Spaldwick Parish Council's current contract runs until September 2024 so no need to do anything until early 2024; it would not be advisable at this stage to renew as no one knows what energy prices will do going forward.
